

# Supporting AEC-Integration through Inclusive and Labour Market oriented TVET

## Save the Date

Regional Conference 2015 in Vientiane, Lao PDR

### Dear Colleague,

A key priority of the emerging ASEAN Economic Community (AEC) is to strengthen the regional strategies and policies in the fields of economic development and employment promotion and the respective TVET cooperation mechanisms. After successful regional conferences in Hanoi in 2012 and Jakarta in 2014, the Lao Ministry of Education and Sports (MoES) and the German Federal Ministry for Economic Cooperation and Development (BMZ) are pleased to invite you to the 3rd Regional TVET Conference:

**Supporting AEC-Integration through Inclusive and Labour Market oriented TVET  
14-15 December 2015, Don Chan Palace in Vientiane, Laos**

In light of the various challenges stakeholders are facing with regard to regional economic integration, the conference will emphasize four key topics: TVET Governance, Inclusive Vocational Education, Work-process and employment oriented TVET as well as TVET personnel development. The event will provide a forum for high-level policy and decision-makers and representatives from the business sector, civil society and international agencies to share experiences and to find a mutual consensus for further developing and harmonising TVET systems in the context of AEC integration.

We cordially invite you to save this date in your calendar as well as to join to make this a successful and momentous event. A formal invitation will be sent to you soon.
